

white fused alumina powder

Specifications :

Price	Contact Us
Place of Origin	Shandong, China
Payment Terms	T/T, L/C, Western Union, etc.
Delivery Detail	10-25 Working Days.
Keyword	white fused aluminium

Detail Introduction :

Product Description

High Quality White Aluminum Oxide Powder/White Fused Alumina

White fused alumina powder is fused from high quality bayer aluminum in high temperature. Its hardness is higher but toughness lower compared with Brown Aluminum Oxide. It is characterized by high purity, excellent selfsharpening, efficient grinding efficiency, and low frictional heat. It can withstand acid and alkali erosion, with high temperature resistance and good thermo stability.

Al ₂ O ₃	99%min	Hardness	9-10
Na ₂ O	0.4%	Color	White
SiO ₂	0.03%max	Melting point	2250C
Bulk Density	3.6-3.9g/cm ³	Size	Customered

Used for abrasives ,lapping,Polishing

Size: **FEPA** F230 F240 F280 F320 F360 F400 F500 F600 F800 F1000 F1200 F1500 F2000

Our company

ZIBO YALONG ABRASIVE Co., Ltd located in Zibo City, Shandong Province, established in 2007. It is a professional and leading manufacturer and exporter of metallic abrasives. The main products include Steel Shot, Steel Grit, Steel Cut Wire Shot, Stainless Steel Cut Wire Shot etc. The annual output of metallic abrasive is more than 30, 000 tons.

Our company has advanced equipment and technology and perfect quality control methods. By using the Centrifugal Atomizing, Double Quenching, and Low-temperature Tempering, the metallic abrasive products are strictly produced and tested according to relative standards, such as SAE J444 and GB/T18838.3-2015.

With good quality, competitive price, thoughtful service, our metallic abrasive products are widely used in fields like automobile, shipbuilding, steel structure and metallurgy, and have been exported to more than 30 countries and regions, including North America, Europe, Middle-East, South-East Asia, etc.

We warmly invite friends from all the world to visit our factory, and we are always ready to cooperate sincerely with you to achieve a win-win development together.
